WEST VIRGINIA HIGHER EDUCATION CENTRAL OFFICE

Veterinary Medicine Educational Contract Program

TO: West Virginia Residents Interested in Applying for Admission to Colleges of Veterinary Medicine as a WV contract student

Upon your request we are enclosing the Veterinary Medicine General Application for West Virginia residents desiring to participate in the West Virginia veterinary medicine educational contract program. This is not a general application to attend veterinary school. You must apply through the Veterinary Medicine Central Application Service (VMCAS) for acceptance into a veterinary medical school. The state of West Virginia has agreements with Mississippi State University (7 students) and Virginia-Maryland School of Veterinary Medicine (6 students) for a total of 13 seats to be reserved in their entering veterinary medicine classes. Applicants should have proof of West Virginia residency for the past 5 years to participate in the program.

All Mississippi State University and Virginia-Maryland contract seat applicants must also use the Veterinary Medical College Application Service (VMCAS). An online application, information and answers to most questions can be found at HTTP://AAVMC.org

VMCAS application is due by NOON, September 17, 2018.

Please complete the enclosed WV contract application and return before August 28, 2018, to:

Kimberly Mouser
Contract Coordinator
West Virginia University
Div. of Animal & Nutritional Sciences
PO Box 6108
Morgantown, WV 26506-6108

Please submit transcripts with this application from all schools of higher education for which you have attended and wish to receive credit (For the WV Contract Application, transcripts may be unofficial copies, but official transcripts are required for VMCAS application). Copies of your completed contract application will be sent to the WVU Admissions and Records Office for approval of residency. All correspondence will be by mail or by email (preferred method; please give current and active email address and notify this office if address changes).

Applicants desiring more information may call Dr. Kimberly Barnes's office, Division of Animal and Nutritional Sciences, Davis College of Agriculture, Natural Resources and Design, West Virginia University, (304) 293-1841.
